Mr. J. J. McIntyre Honored At Board of Trade Dinner

J. J. McIntyre

Approximately fifty-five members of the Coleman Board of Trade gathered in the club room of the Grand Union hotel on Monday, Jan. 24 at 7 p.m.

Miss Irene Hazuka, Board of Trade candidate for queen in the Blaimore winter carnival, was introduced to the members. Miss Hazuka expressed her thanks to the Board of Trade in selecting her as Coleman's representative to the carnival. To insure the success of their candidate, president R. Hill pledged full support of the members. He selected various club members to cover the various sections of Coleman for the sale of tickets. The members are: L. Bubniak, A. Toppiano, J. Sato, G. Mizura, J. Chalmers, C. Freeman, J. Kerr, J. Montalbetti, W. Flawich, R. Yelea, B. White, and J. Ramsay. Jim Montalbetti will be in charge of tickets and money collected. The Blaimore winter carnival will take place on Feb. 7, 8, 9, and 10.

Mr. Hill then introduced the other guests at the supper meeting. They were J. Ramsay, president of the local union of the U.M.W.A.; Bill White, secretary of the U.M.W.A. local; and the guest of honor of the evening, Mr. J. J. McIntyre. As first president of the Coleman Board of Trade, Mr. H. Allen was called upon to welcome Mr. McIntyre.

As a son of a mining pioneer to a pioneer in Alberta's mining industry, Mr. Allen welcomed Mr. McIntyre. He pointed out the international aspects of mining in Alberta. The early miners came from such places as Scotland, England, Wales, France and Italy to name but a few. These early mining pioneers not only contributed to the technical aspects of mining but each group added to the cultural growth of the province. As a youth he recalled seeing the miners equipped with bowler hats, patent leather shoes, and umbrellas, which seemed to be standard equip-

ment of the times.

As one of these pioneers, Mr. Allen said, Mr. McIntyre saw the mining industry rise from its unsure infancy to mature into one of Alberta's major industries. At the same time as this growth was taking place, Mr. McIntyre rose from trapper in the International Mine at Glace Bay, Nova Scotia, to past president of the Western Canada Bituminous Coal Operators and member of the Mining Institute of Alberta.

Socially Mr. McIntyre is honorary president of the Board of Trade, giving at all times moral and financial support to this movement.

In today's difficulties in getting youngsters to remain in school, Mr. and Mrs. McIntyre can boast three university graduates, a nurse, a teacher, two reverend sisters and a mine official. This, Mr. Allen said, showed the help and encouragement that Mr. and Mrs. McIntyre gave to their family.

These, however, are things of the past and looking towards the future we can picture Mr. and Mrs. McIntyre having the time of their lives under a tropical moon with a warm, lush, Pacific breeze rustling the palm trees and surrounded by grass-skirted beauties; in his spare time selling International coal to the natives.

On behalf of the Board of Trade Mr. Allen presented Mr. McIntyre with an engraved cocktail shaker and tray.

In reply to Mr. Allen's remarks, Mr. McIntyre pointed out the impossibility of finding suitable words to convey his thanks and appreciation for the gift and more so for the feeling of comradeship which the gathering portrayed.

He related a few incidents in his mining career brought to mind by Mr. Allen's remarks and appreciated the reference to his family, although he felt all credit should fall on Mrs. McIntyre.

In his remarks to the Board of Trade, he complimented the members in keeping their organization growing, although he himself had not been active in it.

As to the future of coal mining in the Pass, Mr. McIntyre stated he could only guess. He pointed out that although railroads have been converting to oil, the amount of coal sold to them (the mine's biggest customer) has changed but little.

Surveys in the past show that this area contains some iron deposits of low grade. If future more extensive surveys, should show greater deposits, and investments secured, there may come a time when this area may see a combined coal and smelting industry.

(Continued on Page 3)

C. N. P. Winter Carnival Queen Candidate

MISS IRENE HAZUKA

At a recent executive meeting of Coleman Board of Trade, Miss Irene Hazuka was the unanimous choice of the members as Coleman candidate for Queen at the forthcoming Blaimore winter carnival to be held February 7-10.

This extremely popular figure in the younger set is the 21 year old daughter of Mr. and Mrs. Martin Hazuka, long time residents of Coleman.

Through school Irene was always considered an apt student and on graduating joined the Staff of The Canadian Bank of Commerce here.

In 1949 the Coleman Board of Trade selected "Bunny" as candidate for Queen for the Coleman rodeo. With enthusiasm and seemingly tireless efforts, Irene plunged into the business of selling Rodeo Queen tickets. She was rewarded, when the 12,000 ballots in her favour declared her winner over her two other competitors.

The same drive is characteristic today. Once she had decided to enter the lists as Coleman's hope, she was impatient to get the tickets and make the distribution in order that the selling campaign might be instituted without delay.

Irene was a surprise guest at the Board of Trade dinner held January 24 in the Grand Union hotel when the Board honored J. J. McIntyre on his retirement.

The members rose and applauded on her entrance and she was later introduced by President J. R. Hill. Expressing the hope that Irene would be good for the Coleman Board of Trade he urged that the Board should be good for Irene.

In her reply Irene graciously acknowledged the honor which has now twice been conferred on her by the Board and solicited their wholehearted support throughout the campaign. It was easily recognized Miss Hazuka "sold" herself again to the members and Coleman's entry may count on 100% co-operation.

Vivacious, smart, appearing pleasant and courteous, five feet four inches in height and well proportioned, the nimble tongued Miss Hazuka is a popular choice and early returns already are most encouraging and indicate the high regard in which this young lady is held.

During the next two weeks Coleman residents will be approached from all directions by many who are actively engaged in selling winter carnival queen tickets on behalf of Miss Hazuka.

This is our opportunity to advertise our town at a most profitable moment.

Like the Coleman Board of Trade, let's all get behind Irene Hazuka and in our own small way give the ticket sellers the required "lift" to put our candidate over the top.

NOTICE

We wish to thank all those who have shown such interest and offered their congratulations. We hope that the Journal will become as important to Coleman as it was in past years.—T. Holstead, publisher.

Kerr Rink Dominates C. N. P. Bonspiel

The Crows Nest Pass bonspiel got under way on Thurs., Jan. 17 and finished on Tuesday, Jan. 22.

At the banquet held at the Turtle Mountain Playgrounds Monday evening president J. Kilgannon welcomed the various rinks from Taber, and Fernie and from the immediate towns of Blaimore and Bellevue. Joe Malanchuk addressed the curlers on behalf of the draw committee. He pointed out the difficulties of the draw committee in accommodating all the rinks and the impossibilities of satisfying everyone.

Mr. Strain of Taber suggested the next C.N.P. 'spiel be better advertised. Mr. Lamey of Blaimore moved a vote of thanks to the Coleman club for all the work they put into making the 'spiel successful.

Tribute was paid to Bill Kerr of Bellevue who was present at the banquet. Mr. Kerr is an old-timer and one of the best curlers and curling enthusiasts in the Pass area, having taken part in more 'spiels than possibly any other man in southern Alberta.

In the bonspiel, J. Kerr's rink won practically all honors taking three cups and winning the grand aggregate cup.

Following is the summary of the C.N.P. bonspiel:
Coleman Collieries Trophy
Semi-finals: LaPlaca beat out Roughhead; Hill won over Maffiola.

Finals: LaPlaca defeated Hill to win the trophy.

Lethbridge Brewery Trophy
Semi-finals: Kerr beat Jenkins; Maffiola beat Malanchuk.
Finals: Kerr defeated Maffiola to win the trophy.

Grand-Cos Inn
Semi-finals: Kerr won over Roughhead; W. Meier over Strain.
Finals: Kerr defeated Meier to win trophy.

In the Secondaries—
Spic & Span sec. to Coleman Collieries

Semi-finals: 4-4's lost to Kerr; Morgan lost to Cleas; Final: Kerr defeated Cleas to win the trophy.

Blaimore Merchants sec. to Lethbridge Brewery

Semi-finals: Hoggan defeated Lamey; Morgan won over Dancy; Final: Hoggan defeated Morgan to win trophy.

Coleman Collieries sec.
Semi-finals: Dancy over Malanchuk; Jenkins over Maffiola; Final: Dancy won over Maffiola to win trophy.

Grand Aggregate cup winner was the rink skipped by J. Kerr. If the curling rink in Fernie is completed by next curling season, the C.N.P. bonspiel will be held in Fernie.

Lady Curlers Going Strong

Curling seems to be the order of the day, and this increasingly popular sport is attracting many women as well as men. Coleman ladies are not to be outdone by their sisters in the larger centres and a very fine turn out can be seen on the local rink any week. New comers are always very welcome, and there are several this season. This year's officers are as follows:

President, Mrs. Jean Fields; secretary, Miss Peggy McDonald, with the following serving on the executive: Mesdames Delina Pow, Isabelle Splevak, Eunice Fraser and Marianne Mozell.

Skips are Alvina Pavlus, Emma Fontana, Isabelle Splevak, Marianne Mozell, Delina Pow, Jean Fields, Joy Kwasney.

Mayor Frank Aboussafy

LOCAL U.M.W.A. TO SPONSOR F. ABOUSSAFY

A delegation from the local U.M.W.A. met Mayor Aboussafy on Monday, Jan. 28 and asked him to reconsider his decision to retire as mayor or of Coleman. At the meeting of the U.M.W.A. on the previous day the union went on record as favouring Mr. Aboussafy's continuation in office.

In recent months, Mr. F. Aboussafy had decided not to continue in his capacity once his term had expired.

Fire Department Installs Siren

The Coleman fire department is installing a siren to replace the present bell alarm. Installation of the siren should be complete in another week. The siren is 5 horse power, 3 phase, will have a radius of two to three miles.

Two alarm stations will be open twenty four hours a day. One station will be in the main lobby of the fire hall and one upstairs of the fire hall. The present bell will become an auxiliary unit and will be used only in emergencies.

Advertising acts as a tonic to any head of business enterprise.

Notice of Annual Meeting

Public Notice is hereby given that a meeting of the electors of Coleman School District No. 1216, will be held in the Council Chamber on Monday, the 11th day of February, 1952, at seven o'clock p.m., for the purpose of receiving the report of the Secretary-Treasurer, Auditor and Chairmen of the various committees.

Dated at Coleman, Alberta, this 26th day of January, 1952.

NORA GOULDING,
Secretary-Treasurer.

Victoria Rebekah Lodge Hold Installation

A pleasant and impressive evening was spent by members of Victoria Rebekah Lodge, also a number of visiting sisters from Blaimore and Bellevue, when they held an installation in the temple on Tuesday evening, Jan. 15. Sister M. Ford, district deputy president and staff installed the following officers:

Mrs. M. Hewitt, junior past noble grand; Mrs. M. Jenkins, noble grand; Mrs. L. Fisher, vice grand; Mrs. B. Phillips, recording secretary; Mrs. E. Richards, treasurer; Mrs. B. Jones, financial secretary; Mrs. H. Gushall, warden; Mrs. E. Ledieu, conductress; Mrs. L. Boulton, chaplain; Mrs. C. Lonsbury, inside guardian; Mrs. P. Yates, outside guardian; Mrs. F. Kerr, pianist; Mrs. M. Ford, right supporter of the noble grand; Mrs. E. White, left supporter of the noble grand; Mrs. E. Shields, right supporter of the vice-grand; Mrs. A. Nash, left supporter of the vice-grand.

At the close of the meeting a delicious lunch was served by the committee. During this hour short addresses were made by Sister Valprava, N.G., from Blaimore; Sister Ritchie, N.G., from Bellevue; Sister M. Ford, D.D.P. and sister M. Jenkins, N.G. of Coleman lodge. The lucky number prize was won by Mrs. B. Phillips.

Ladies' Auxiliary Canadian Legion Hold Installation

At the regular general meeting of the Ladies' Auxiliary, Canadian Legion, B.E.S.L., Coleman Branch No. 9 held on Fri., Jan. 18, installation of officers for the forthcoming year took place. The following ladies were installed to office:

Mrs. Edna Campbell, president; Mrs. Phyllis Jones, 1st vice-president; Mrs. Joyce Anderson, treasurer; Mrs. Effie McCartney, secretary; Mrs. Mary Clarke, flag bearer.

The following six ladies were appointed to serve on the executive: Mrs. Mabel Lloyd, Mrs. Ledieu, Mrs. Phyllis Nestor, Mrs. Sonja Drew, Mrs. Mary Clarke was appointed convener. Installation was conducted by the president, Mrs. Dorothy Kennedy, who will act as past president.

At the close of the meeting a pleasant social evening was held and lunch was served by the committee.

Mr. and Mrs. S. William Fraser of Greenfield Park, Montreal, announce the engagement of their eldest daughter, Dorothy Frances, to LAC William Roach Cousin, elder son of Mr. and Mrs. William James Cousins of Lethbridge, formerly of Coleman.

Notice of Annual Meeting

Public Notice is hereby given that a meeting of the electors of the Town of Coleman will be held in the Council Chamber on Monday, the 11th day of February, 1952, at seven-thirty o'clock p.m.

Dated at Coleman, Alberta, this 26th day of January, 1952.

T. A. COLLISTER,
Secretary-Treasurer.

NOTICE TO ALL NURSES

A series of six lectures on the Nursing Aspects of ABC warfare will be conducted by Caroline Harrison, R.N., N. of Blainmore and Nurse Anna MacQuarrie, R.N. of Coleman. The course will begin Thursday, Jan. 24, at 7 p.m. in the recreation room of the hospital and will continue each Thursday for 6 weeks. All nurses are asked to please note these dates: Jan. 31, Feb. 7, Feb. 14, Feb. 21, Feb. 28. Guest speakers will be present at some of the meetings and important films will be shown as soon as they can be obtained. Friday's bus leaves Coleman Cafe for Blainmore each night around 6.30 p.m.

Evangelist Meetings to be Held in Coleman

Major and Mrs. Wm. Mercer, old fashioned evangelists, will be conducting a series of meetings in the Salvation Army hall from January 31 to Feb. 10 inclusive. There will be meetings on the Sundays at 11 a.m. and at 7.30 p.m. with the week-night meetings being at 8 p.m. Major and Mrs. Mercer are from Toronto and during the past seven years have travelled Canada from one coast to the other in evangelical work. This year being the Army's seventieth in Canada this campaign will be in connection with "Operation 70", which name covers the Army's plans for this anniversary year. During Major and Mrs. Mercer's visit, special meetings will be held on the Fridays and the Monday after school for young people. Mrs. Mercer will conduct a women's meeting on Wednesday, Feb. 6 at 8 p.m. to which all women in the district are invited.

You won't want to miss a meeting of this series, so plan to attend now.

Flood Conditions in Willow Drive

During the recent cold spell, the Crows Nest River has caused some damage in Willow Drive as water overflowed the banks and spread to the surrounding lots. Mr. F. Young of the Water Resources Branch, looked over the situation and it is proposed that a plan of the subdivision be taken showing lots, houses and distances from the river with the idea that in the spring a survey will be made and the river deepened and straightened so that a similar occurrence will not happen in the future. The information required will be furnished by the residents of Willow Drive.

A caterpillar was hired from Mr. Sagoff to relieve the immediate pressure. Unfortunately the caterpillar broke through the ice at rear of the houses causing it to throw a track. The remainder of the night was spent getting the caterpillar to high ground. Damage to the machine was estimated at \$500.00. Mr. F. Rayman worked with the cat constantly throughout the night disregarding water and weather conditions.

Tenders Called

Tenders have been called for the crushing and stocking of gravel for the highway west of Lundbreck to Bellevue and from west of Coleman to Crows Nest. It is believed that this is for hard surfacing purposes.

At Lundbreck there is still extensive work being done on the road. Thousands of tons of rock have been put into the roadbed and to insure proper drainage it is believed that in the near future the road conditions will be permanently fixed.

It is understood that ice conditions at Passberg will be attended in the same manner as in Willow Drive.

RUBBER STAMPS
PROMPT SERVICE

Civil Defence School Meet

The second meeting of the Civil Defence School took place on Wed. Jan. 16, with approximately 40 members present.

President J. McDonald outlined the organization of various services and the duties of the officers. The principal service discussed was the rescue service. Mr. H. Allen gave a lecture on the types of fires, extinguishers and bombs. The various types of extinguishers will be demonstrated in the future.

In the meeting held on Wed. Jan. 23, Mr. S. Short talked on the damage control organization. This organization coordinates the other organizations. He outlined how the organizations act together in placing personnel at strategic points during emergencies.

Mr. S. Ondrus addressed the meeting on chemical warfare and spoke on the characteristics, effects, and protection against various gases. He divided the gases into groups affecting nerves, causing blisters, choking and tears, and those which acted on the nose. Mr. Ondrus' talk was on the latter three. He concluded his address by giving the use and care of respirators and mentioned that all members would have one in the near future.

As part of the Civil Defence School program, a film was shown which pictured the atomic bombing of Hiroshima and Nagasaki. The film showed the devastating effect of the 1945 model of the A-bomb whose total destruction area was 6 miles.

Attendance at this meeting was over 50. The Civil Defence School is open to all the public. Make it your duty to be defence conscious. BE PREPARED FOR CIVIL DEFENSE.

Hospital Ladies' Auxiliary Meeting

The regular meeting of the Ladies' Auxiliary of the hospital was held on Jan. 9 at 8 p.m. in the recreation room of the hospital. Mrs. Margaret Gentile, president of Coleman and Mrs. F. Leavitt, secretary of Blainmore, reported that they had visited all patients in the hospital on Dec. 23 last to present the ladies with lace edged handkerchiefs, the men with cigarettes and the children with books. The lovely lace and linen tablecloth donated for the raffie, by Mrs. Bert Young of Coleman, will be drawn for at the February meeting. Several balls of wool were distributed to members to knit baby clothes for sale in the showcase at the hospital. The lucky box donated by Mrs. P. McNeill of Hillcrest was won by Mrs. Leavitt.

Refreshments were served at the close of the meeting. New members are always very welcome and the next meeting will be held on February 6 (Wednesday) at 8 p.m. in the hospital recreation room.

School Board Hold Regular Meeting

A regular meeting of Coleman school board was held in the board room on Jan. 14, with the following members present: M. Cornett, C. Clark, M. Dunford, and A. Wilson.

The financial report was submitted by the secretary and accepted. Permission to use the school to instruct Italian immigrants was granted to Miss Benedetto. Miss Benedetto will have use of one room two days weekly, 7.30 until 9.30 p.m. Wednesday and on Saturday afternoon. She will be responsible for the conduct of her class in and about the school.

The monthly bills were passed for payment after which the secretary was authorized to take out insurance for the school bus. The insurance will cover collision, fire, and theft. The financial statement for the year will be printed shortly.

Mr. H. Allen, principal of the school presented his report for the month of December, which showed a total enrollment of 654 and an average attendance of 79%.

As the school used such large quantities of electric power and coal the secretary was authorized to send a letter to the Coleman Light & Water Co. and to the Coleman Collieries asking for reduced rates on electric power and coal respectively.

Feb. 18 will be nomination day for school trustees and councillors, and mayor. Civic elections will take place Feb. 28, if elections are necessary.

NOTICE

An amendment has been made regarding civic election in Coleman. Elections will take place on March 3 instead of the previously reported date.

Former Pass Residents On The Air

These cold winter evenings many of us turn to our radio for entertainment and if we tune in to CFCN we hear the cheerful and friendly voice of Ian Arrol one of the station's head an-

nouncers. Ian lived at Blairmore for a number of years, and is well known throughout the Pass. We also hear the young voice of Guido D'Amico on various programs and with the Ray Little Group on Saturday evenings. Guido is the nephew of Mr. and Mrs. Charles D'Amico of Nordegg and formerly of Coleman. Another singer of local interest is Haud Pharis on the 'Old Timers' program. Also heard with Ray Little on Saturday nights. Those early birds who tune in between 6 and 7 a.m. each morning will hear Haud on his own program. His song "The Call of the Mountains" which he recently composed is now obtainable on recordings and sheet music.

J. J. McIntyre

(Continued from Page 1)

In comparing coal and gas he showed that although gas is measured in billions of cubic feet, one pound of coal produces the equivalent of 13 cu. ft. of gas and the International Mine produces the equivalent of thirteen billion cu. ft. of gas a year. Coal mines in Alberta produce the equivalent of 220 billion cu. ft. of gas per year. Gas resources, if export is allowed, are estimated to last thirty years, whereas coal resources in the province are estimated to last one thousand years. He is in full agreement with the government in bucking gas export. We should think first of future generations and not exploit our resources in one generation. Mr. McIntyre felt we should do all in our power to stretch the commodity from a 30 year period to a 200 year period if at all possible.

In analysing the people in mining communities, Mr. McIntyre said that they are superior. In an area such as ours we enjoy very few police as compared to other urban areas of equal population. Even though mining communities are usually not pleasant to the eye, it was the lack of proper planning in the early life of these towns which resulted in homes built too near the mining plant.

Mr. and Mrs. McIntyre plan to vacation in Honolulu until possibly the middle of April and then take up residence in Calgary.

To close the evening Mr. E. Gushul entertained the meeting with violin selections and was accompanied by Mr. B. Bond at the piano.

C.P.R. MOUNTAIN DIESELS: Now operating in Canadian Pacific freight service over the 263 miles between Calgary and Revelstoke in the mountains, 208-foot Diesel steamrollers pull 4,800 tons of loaded freight cars out of Calgary for Field, with one locomotive going right through. Already in service are half of what is required to switch over the territory from steam to diesel power; when the balance is received, passenger, as well as freight service will be by Diesel. The sleek powerhouses will replace Selkirks, largest locomotives in the British Empire, which will be assigned to the 323-mile stretch between Calgary and Swift Current. A million-dollar Diesel service plant at Alyth, shown in top two pictures above, helps the road to take full advantage of the availability of this kind of power; lower right, against a background of windows, shows the excellent light; at left, engine crew chats before starting out.

SUGAR Beef!

Here's a steer obviously Red Label Sugar Beef? Because he is one of thousands of such cattle that are a direct result of the sugar beet industry of Southern Alberta. You see, sugar is not the only product of the sugar beet. Livestock feeds of amazing productivity result from both field and factory

processing. The result is that more food energy comes from an acre of sugar beets than from any other Canadian crop. A further result is that you enjoy better meat, the farmer enjoys a more balanced farm program, and the West contributes to its own richness. All because you LOOK FOR THE MAPLE LEAF on the bag of sugar you buy.

NO FINER SUGAR

1952 Mercury Passenger Car

A major model changeover, resulting in completely new body styling engineering and mechanical features, marks the 1952 Mercury passenger cars as the greatest departures from preceding models since the introduction of the first post-war lines in 1948-49.

They will be publicly introduced in the United States January 30, and in Canada later.

Pee-Wee and Midget Hockey Notes

MIDGET HOCKEY
On Friday, January 15, Pincher Creek defeated Coleman Midgets for the second time by a score of 6-4. Costly penalties in the last few minutes of the third period resulted in Coleman's downfall. The game was possibly the best seen in years.

On January 20 the Midgets scored a lopsided 16-1 victory over Blairmore.

In the Juveniles hockey league, Coleman Juveniles won over Blairmore 6-5 on Sunday Jan. 20.

PEE-WEE HOCKEY NOTES.
Every Saturday afternoon one may see a stream of youngsters heading towards the Coleman arena. These are the pee-wees; possibly the strongest hockey fans in the town. This year in the pee-wees there appears to be strong rivalry between the clubs, and all seem to be determined to break all standing records. William Truch, net-minder for the Lions has already in his credit three consecutive shutouts.

On Saturday, Jan. 19, the four teams scheduled to play brought the following results: Pattinsons won over the Legionaires 3-2 while the Lions defeated the Elks 4-0.

League Standings

| | W | L | T | G | A | F | P. |
|-------------|---|---|---|----|---|---|----|
| Lions | 2 | 0 | 1 | 0 | 8 | 5 | |
| Pattinsons | 2 | 0 | 1 | 4 | 6 | 5 | |
| Elks | 1 | 2 | 0 | 8 | 5 | 2 | |
| Legionaires | 0 | 3 | 0 | 10 | 3 | 0 | |

WITH THE PEE WEES
Saturday Games
Lions 6, Pattinsons 0.
Elks 1, Legionaires 1.
William Truch, brilliant net-minder for the Lions has established a record in shutouts. In four games no rubber has passed him. This is a record in the 16 years of Pee Wee hockey in Coleman.

Pythian Sisters Installs New Officers

At the regular meeting held on Jan. 9, the Pythian Sisters, Coleman, installed the following officers, for 1952:

Sister Doris Vincent, past chief; Dorothy Kennedy, most excellent chief; Mary Kasma, ex-senior; Grace Sivell, ex-junior; Rose Lant, manager; Joyce Anderson, secretary; Margaret Johnson, Treasurer; Maggie Martland, Protector; Evelyn Hopkins, pianist; Phyllis Jones, outside guardian; Sisters Ethel Hill, Annie Hirst, Martha Turner, trustees; Sister Amy Penny, press correspondent; representative to the Grand Temple, Sister Elsie Wilson.

ter Elsie Wilson.

These officers were installed in office by Past Chief Elsie Wilson, assisted by Amy Penny and Margaret Stewart, after which Sister Wilson presented the retiring M.E.C. Doris Vincent and retiring secretary Kathleen Pank with their past chief's pin and certificate. Sr. Penny presented Mesdames Vincent and Pank with a small gift on behalf of the installing officers. After the ceremonies were over a delicious lunch was served by the hostesses.

Crows Nest Pass Local A. T. A. Meets in Coleman

A meeting of the CNP Local A.T.A. met at Coleman high school on Thursday, January 17. Mr. Nadeau of Coleman and Miss Selson of Blairmore were appointed councillors to the A.G.M. and are to attend a special meeting in Edmonton on Jan. 26.

The Blue Cross hospitalization scheme was discussed and those wishing to enter will fill out the required application forms which will be collected by Mr. Nadeau.

Mr. McEachern of Bellevue led a forum discussion on guidance and accumulative records. These records are useful in that they show the capability of pupils, their intelligence, and mental problems. Mr. McEachern discussed aptitude tests and how these tests help give an idea of the type of vocation a pupil will likely succeed. He felt that in order to help pupils in selecting the type of occupational field to enter, a guidance expert should be employed by the Pass school boards. There are literally thousands of jobs available to students leaving school and few of these students know what they are going to do once they leave school. Many of them enter fields for which they are not suited with the result that a large number of them can mess

up their lives. Many of them leave school without the vaguest idea as to what they are going to do and will probably drift from one occupation to another.

School accumulative records help the teacher keep in touch with his pupils, and furnish information which is quite frequently asked for by employers. With these records on hand, such requests from employers are quickly and correctly handled and exact information given.

The topic has such scope that the members decided to continue discussions at the next meeting.

After the meeting the members gathered in the grade 12 room for lunch served by the social committee of the Coleman staff.

Registered Nurses' Association Meeting

The regular meeting of the C. N.P. Nurses' Association was held on January 10 at the hospital. Mrs. Margaret Krywolt was in the chair. Mrs. E. Citra, secretary, reported that the group had presented all patients in the hospital with gifts at Christmas. Miss Anna McQuarrie gave a brief resume of the course in nursing aspects of AB C. Warfare to be held in the near future.

The mystery box was won by Mrs. T. Sherbruk. The next meeting will be held at 8 p.m. on February 7 at the hospital, at which time Mr. Gerald Blanchfield of Abbot Laboratories will give a lecture and demonstration of Intravenous Therapy. Election of officers for 1952 will also take place. Lunch was served at the close of the meeting. 15 nurses were present.

The Journal has Model 5 Ramington Rand portables in stock and students who plan on purchasing their own machines to aid in their typing classes can secure one of these beautiful machines without a moment's delay.

SUPPORT HOME INDUSTRY!

LOCAL NEWS

Mr. J. Colwell, Texaco agent, was a recent business visitor to Macleod.

Mrs. J. Shields who was a Calgary visitor last week, also visited with her sister, Mrs. L. Watkins at High River.

Mr. Ed. Coover from Coutts, is the guest of his brother and sister-in-law, Mr. and Mrs. C. Coover.

Personal and social items of interest to our readers should be telephoned to the Journal office 3705 or given to Mrs. Katherine Wecko.

Mr. and Mrs. Joe Kostelnik journeyed to Lethbridge to visit his mother who is a patient in St. Michael's hospital, having fallen and fractured her hip.

Mrs. Brian Duke, who was recently a patient in Holy Cross hospital, has returned to her modern trailer home in East Coleman.

Mr. and Mrs. Lewis Jones attended the funeral of Mrs. Lewis Jones' brother, the late Mr. William (Bill) Griffiths, in Vancouver on Jan. 4 last. Mr. Griffiths who was in his 79th year, passed away on Dec. 29. He came to Canada from South Wales in 1903, residing in Lethbridge and Fernie before coming to Coleman in 1906. He retired from the mine in 1931 and went to live in Vancouver where he made his home with the Muirs, former Coleman residents.

Mr. J. Nash is confined to his home due to illness. What's worrying Jack is the fact that he is unable to curl this season. His many friends wish him a speedy recovery.

Mrs. Robert Dauphine and young son left on the 21st to join her husband at Whitehorse, where he is stationed with an airforce unit. They have been the guests of her parents, Mr. and Mrs. Axel Anderson.

Mr. Ernest Kennedy has returned to Coleman after being a patient in Holy Cross hospital in Calgary for a few days, where he went for a medical check-up, following the amputation of a leg some time ago.

Born to Mr. and Mrs. Ray Johnson (nee Joanna Biela) a daughter, January 21. Born to Mr. and Mrs. T. Aruckle of Fernie (nee Mary Panek) a son, Jan. 18th. Born to Mr. and Mrs. Nick Capola, Coleman a daughter, Jan. 19th.

Mr. and Mrs. J. Robertson, having recently returned from a much enjoyed trip to Florida, have returned to their home in Calgary, leaving their two children in Coleman with their grandparents Mr. and Mrs. A. Beveridge.

Dancers, don't forget the dance to be held in the Polish hall next Saturday in support of Miss Irene Hazuka, Coleman Board of Trade candidate for the Crows Nest Pass winter carnival queen. Support your candidate.

AB Seaman Jimmy Chalmers, son of Mr. and Mrs. Alex Chalmers, left Monday for Victoria, where he is stationed on the HMCS Ontario. He was home on sick leave following an operation on his hand in the Shaughnessy military hospital, Vancouver.

At the January regular meeting of the Ladies of the Royal Purple, Mrs. W. Clarke, was presented with a picture as a small memento of her friends in the Order. Mrs. V. Somashor in making the presentation wished Mrs. Clarke the best of luck in her new home at Wells, B. C. where her husband and nephew, Mr. Henry Levier, are managing a saw mill.

Mr. and Mrs. J. Hanrahan were Lethbridge visitors this week.

Word has been received that Mrs. I. Neilson of Nanton, Alta., suffered a fractured arm recently, the result of a fall. Her many friends in Coleman will wish her a speedy recovery. Mr. and Mrs. Neilson retired to Nanton in 1950, after living in Coleman for over thirty years.

Coleman Grands Win Over Macleod

The sizzling Coleman Grands made a clean sweep of their encounter with Macleod in two games played over the week-end.
